All abroad! We'll enjoy a scenic **Cable Car** ride from The Jewel Box across to picturesque Sentosa.

On arrival, enjoy a glass of chilled **Sky Cooler** at Sentosa Sky Bar. Next, visit **Dolphin Lagoon**, where visitors are able to watch the Dolphins perform their natural behaviours such as spy-hop, tail-flapping, vocalisations etc. A short bus ride takes you to **Underwater World** which at last count has a collection of 6,000 fish from 350 species. Served by a moving traveller, you can marvel at the mysteries of the deep through a 83-metre acrylic tunnel.

We'll bring you to The New **Merlion** - the Singapore's beloved tourism symbol. The "re-born" Merlion experience begins with a pre-show that introduces visitors to the mysteries of the sea. Mermaids, lake monsters, sea serpents, movie creatures - these and others will come to life in a series of musical walk-through dioramas. Experiential encounters combining animation with the theatre effects of the Merlion and the good fortune that it brings to all seek it.

Lastly, enjoy **Songs of the Sea** - Sentosa's latest attraction. Be the first to experience the splendour of Songs of the Sea, a S\$31-million a multi-sensory extravaganza, the only one of its kind set in the sea that's not to be missed when you visit Sentosa.
